Media Release

January 8, 2009

A 19-year-old woman is charged with robbing another woman at gunpoint overnight in the parking lot of Chip's Quick Stop at 7520 Whites Creek Pike.

The victim and her boyfriend were parked outside the convenience store at 12:40 a.m. He went inside the store while she began to change her one-year-old daughter's diaper in the back seat of her boyfriend's car. Amanda Sue Kelley opened the driver's side door. When the victim asked Kelley what she was doing, Kelley aimed a pistol at the woman, demanded cash, and took money from the center console. Kelley fled in a 2004 silver Dodge Stratus. Officer Michael Waltz spotted the getaway car a short time later on Whites Creek Pike. Kelley was taken into custody without incident. The victim positively identified Kelley as the robber. During interviews with North Precinct Detective Robert Swisher, Kelley admitted her involvement in the holdup.

Kelley, of Meridian Street, is charged with aggravated robbery and is being held in lieu of \$100,000 bond. She was arrested seven times last year on charges including drug possession, domestic assault, and theft.

Park Smart

December 5, 2008

A review of stolen vehicle reports in Nashville from Sunday, November 23, through Saturday, November 29, shows that 42.4 % of the automobiles taken (14 of 33) were easy targets because the keys were left inside or made available to thieves.

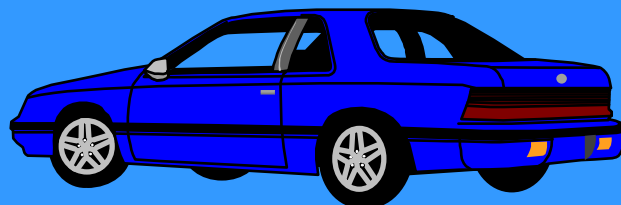

The police department's continuing PARK SMART campaign strongly urges citizens to lock their automobile doors, secure any valuables and REMOVE THE KEYS.

Officers also urge citizens to SHOP SMART by not leaving purses or other valuables unattended in shopping carts, even for a very short time. An unattended purse is an easy target for a thief.
